And Automodular Assemblies (Ohio) Inc. ## II. Concurrent Unopposed Application To Seal Record

The declarations, deposition transcripts, exhibits, and other documents designated by both parties to this appeal contain specific and highly sensitive business terms and price information. If publicly disclosed, the release of this information would detrimentally affect the ability of the Debtors, Automodular, and General Motors Corporation ("GM") (for which the work at issue in the Automodular-DAS LLC contracts is being performed) to negotiate the terms and pricing of future agreements. Moreover, given the extremely competitive nature of the automotive industry, the disclosure of the confidential pricing information contained in the designated record items would place the Debtors, Automodular, and GM at a disadvantage vis-à-vis their respective business competitors.

Accordingly, and for the reasons stated therein and in this designation, the Debtors are filing concurrently with this Supplemental Designation of Record an Unopposed Application Under 11 U.S.C. § 107(b) And Fed. R. Bankr. P. 9018 For Order Authorizing The

Parties To File Under Seal Materials Designated For Inclusion In Record On Appeal From  
Bankruptcy Court's Denial Of Automodular's Motion To Compel Assumption Or Rejection Of  
Executory Contracts And Allow And Direct Payment Of Administrative Expense Claim.
